YARD PRIZES FOR 1920

were distributed among about one hundred tenants this month. Our illustrations give an idea of our houses and their surroundings.

On page eight we show the handsome float of the weaving department of the Manchaug Company at Manchaug Mass. during the Field Day of the local Community Clubs last July. The prize float illustrated carried a Northrop Loom weaving the famous

FRUIT OF THE LOOM

and was in charge of Overseer James Marcure and his attractive assistants.
